

Immaculate Tots childcare

WHERE LEARNING IS FUN

Immaculate Tots is a brand-new nursery situated on the edge of the Old Sarum Park development, in an attractive position overlooking the Airfield. It is a two-storey building with a large outdoor play area allowing for lots of space for children to explore, learn and play.

We work in partnership with parents, to promote the outcomes for their children.

We aim to provide the best possible care for all children. We use natural resources and materials that can be transformed. This will allow children to use their imagination and creativity. We provide Material such as stones, pinecones, wooden rings, logs etc.

Our nursery is welcoming, nurturing and homely. Resources and materials are displayed to be inviting, easily accessible and uncluttered. We are inspired by the Reggio Emilia Principles. With our research into the Reggio Emilia approach, we are able to incorporate it into our daily routine and experiences with the children in the nursery. This approach is all about hands on discovery learning, encouraging children to use all of their senses and language, thus promoting their creativity and independence.

Please come and visit us, we would be delighted to show you around our nursery and answer any questions that you may have.

Sterling House, Danebury Court,
Old Sarum Park, SP4 6EB
